TPAC is dedicated to leading with excellence in the performing arts and arts education, creating meaningful and relevant experiences to enrich lives, strengthen communities, and support economic vitality.

Tennessee Performing Arts Center (TPAC) is a nonprofit organization dedicated to providing and supporting the presentation of the performing and cultural arts.
TPAC Gala will be held Saturday, August 24, 2019.

TPAC Gala is one of Nashville’s premier benefit engagements. With 400 business and community leaders in attendance, TPAC Gala provides critical funding to support the organization’s educational, cultural, and outreach initiatives.

The theme for the 2019 Gala is *Hamilton*

“A groundbreaking, one-for-the-ages hip-hop tale of one of America’s founding fathers” (Entertainment Weekly), Hamilton’s Tony-winning star/lyricist/composer Lin-Manuel Miranda (In the Heights) has turned a Founding Father’s largely forgotten narrative into one of the most joyful, kinetic, and extravagantly original musicals ever imagined for the stage.

This production will play Nashville December 31, 2019 – January 19, 2020, during the annual HCA/TriStar Health Broadway at TPAC season.

*Shows in the 2019-20 Broadway season are confidential until the public announcement the evening of April 16, 2019.*
